OUR VISION: YOUR SUCCESS

## Cultivating long-term, high-value relationships with clients exclusively in the eye care space.

**TRUSTED** to serve more than 8,000 ophthalmologists and optometrists with excellence. We work closely with clients to help them succeed, while giving them space to retain their independence.

**PROVEN** in developing the tools and expertise to take eye care practices to new levels of success. Our eye care clients strongly recommend us to their peers.

**EXPERIENCED** in identifying the root cause of problems in eye care practices and creating customized solutions. Our developers, certified specialists, and ophthalmic techs bring more than 30 years of experience in eye care to the table.

**FLEXIBLE** in providing the full range of myCare solutions, including EHR, PM, ASC, Optical, Practice Building, and Revenue Cycle Solutions, as well as high-level Analytics and Benchmarking services to meet each practice's needs.

**FOCUSED** solely on the eye care industry. We specialize in technology and service solutions exclusively for Ophthalmology and Optometry practices.

Eye Care Leaders brings together the top technology and solution companies in eye care, giving you access to everything you need in one place to achieve practice excellence.

When you work with our family of experienced eye care companies, you get to leverage the collective power and years of experience in eye care to take your practice to the next level.

# Helping you **SUCCEED**

We improve the performance and support the independence of Ophthalmology and Optometry practices through a fully integrated family of product offerings.
