EYE CARE
LEADERS

POWERFUL • INTUITIVE • AUTOMATED
Automated Tools. Integrated Workflow.

Open your eyes to our visionary practice management system which allows you to run the most efficient practice possible which means more satisfied patients.

POWERFUL: Create a positive front desk experience while increasing cash flow with an entire suite of productivity-enhancing tools to streamline the business side of your practice.

INTUITIVE: Each click, each feature, each flow is handled just as you'd expect for peak staff efficiency, cost management, and patient satisfaction.

AUTOMATED: Get free updates to medical codes and rules that are essential for effective coding without installing or upgrading software.

Refine Your Practice

myCare Integrity PM includes medical scheduling, billing, reporting, and an entire suite of productivity-enhancement tools to help streamline the business side of your practice. Our practice management software solution creates a positive experience for your front desk while increasing cash flow.

Each click, each feature, each flow is designed for peak staff efficiency, cost management, patient satisfaction. myCare Integrity Practice Management gives your practice the latest updates to medical codes and rules that are essential for effective coding and billing, including ICD-10.

myCare Integrity Practice Management streamlines tasks and saves time by reducing billing errors and producing cleaner claims. Plus, its increased accuracy results in more satisfied patients. myCare Integrity PM's technology takes the reins of your patient scheduling and registration, coding, billing, and more. We even train your staff to keep your practice running smoothly in the long term. In short, we give you the tools to more effectively handle the administrative side of your practice, so you can spend more time doing what you do best: delivering high-quality eye care.

Medical Scheduling

Our easiest way to keep an optimal schedule, meet physician expectation and staff capacity, despite no-shows and cancellations.

Financial Analytics & Benchmarking

Enjoy an entirely new way to measure, manage, and control financial performance with the ability to compare performance against peers in your geography, specialty, and size.

Medical Billing

Take a look at what over 600 billing service partners use for their clients. Robust features include A/R Control Center, claims management, integrated clearinghouse, electronic remittance advice, and insurance eligibility verification.

Flexible Solution

Integrate your other office solutions with this flexible PM to improve task management, produce cleaner claims, and improve the patient experience. Take Integrity PM a step further by taking advantage of additional integration options including ASC, Portal, Optical, and Analytics.

myCare Integrity PM provides the tools you need to run an efficient, profitable eye care practice. Additional Integration Options of ASC, Portal, Optical, and Analytics will take your Integrity PM to the next level.
